What do these top Arizona companies and many more have in common? They make genuine sacrifices in supporting programs that invest in the future--programs that will have a profound impact on the lives of our children.

Why? By playing in the JA "Open 4 Business," these sponsors are helping more than 10,000 children from all walks of life. They are investing in Junior Achievement, the future leadership of their own companies, and the State of Arizona.

How? For the past 12 years, the Junior Achievement "Open 4 Business" Golf Tournament has been hailed as the premiere, non-profit, amateur golf event in the Valley:

- Increase your company's visibility in front of potential business partners (Tee Sign included and space available for company's literature & sampling).
- Entertain your clients at a first-class event.
- Recognize and reward your best employees.
- Receive high media and community visibility.
- Meet and network with top business and community leaders.
- Play a beautiful golf course, managed by TroonGolf.
- Enjoy a buffet breakfast, 18-holes of golf, lunch, cocktails, reception with buffet and open bar, on-course contests, entertainment, awards program, raffles, auction, and amazing tee prizes...
