

## Let Us Pamper You!

Each and every player that participates in the Women's Golf Classic is very special to Junior Achievement. Because of you we are able to reach thousands of new kids each year and we want to show you how special you really are!

Our players are treated to breakfast, lunch, complimentary beverages on the course and amazing tee gifts. To ensure a fun, relaxing game we serve champagne and provide massage on the course. Immediately after the tournament our players enjoy a buffet reception, open bar, silent & live auctions, awards for fun golf contests and many exciting tournament prizes.
