

JA Be Entrepreneurial[®]

High School

JA Be Entrepreneurial introduces students to the essential elements of a practical business plan and then challenges them to start an entrepreneurial venture while still in high school. Students will learn about advertising, competitive advantages, financing, marketing, and product development. *JA Be Entrepreneurial* consists of seven 45 minute volunteer led sessions.

Session One:

Introduction to Entrepreneurship

Students are introduced to the elements of successful business start-ups, myths and facts about entrepreneurship, and early product development.

Session Two: *What's My Business?*

Students continue to develop their product or service idea by analyzing various sources of successful entrepreneurial ventures, culminating in their selection of a product or service for a business plan.

Session Three: *Who's My Customer?*

Students examine how market needs and demographics contribute to successful entrepreneurial ventures.

Session Four:

What's My Advantage?

Students learn the importance of intentionally selecting and applying competitive advantages to an entrepreneurial venture.

Session Five:

Competitive Advantages

Students apply competitive advantages to entrepreneurial ventures.

Session Six:

Ethics Are Good For Business

Students learn to anticipate ethical dilemmas and consider consequences in making ethical business decisions.

Session Seven: *The Business Plan*

Students apply the six elements of successful start-ups for their products and services.

Key Learning Objectives

The students will be able to:

- Recognize the elements of a successful business start-up.
