

## ABOUT JA

Your participation in the JA Bottles for BizTown® event will help hundreds of youth become motivated to stay in school, inspired to make a difference, knowledgeable about money and hopeful about their future.

100% of the proceeds from JA's Bottles for BizTown benefit young students from all walks of life in urban, suburban and rural communities across Arizona. Junior Achievement brings the real world to students, opening their minds to their potential, building their self-belief and ensuring that the next generation of business and community leaders is prepared for the realities of work in a global economy.

Each ticket and sponsorship sold will enable Junior Achievement to serve new young women and girls and provide them with the knowledge and skills that will set them on their way to the bright future they deserve. Join us for this premier networking event and invest in the promise of our youth!
